WAITING LIST PROCEDURES

The property is required to maintain a Waiting List of all eligible applicants. The property has one Waiting List that is established and maintained in chronological order based on the date and time of receipt of the Preliminary Application.

The Preliminary Application will need to be submitted to management along with any application fees in order to determine eligibility. These procedures are necessary to assure the complete and accurate processing of all documentation for all applicants.

Applicants must report changes in writing to any of the information immediately. Applicants will have the opportunity to decline the first apartment offered and retain their place on the waiting list. Should the applicant decline the offer of the next available unit, they will be removed from the waiting list.

When special needs units are available for rent, management will alternate the offer of the unit; the first vacant special needs unit will be offered to the eligible special needs household (determined by the Preliminary Application) on the waiting list.

The Waiting List will be updated periodically. Each applicant will receive a letter from the property, which will request updated information and ask about their continued interest. The letter must be returned within the specified time or their application will be removed from the Waiting List. It is the responsibility of the applicant to maintain a current address with the office in order to receive waitlist correspondence. Any correspondence returned undeliverable will result in application being removed from the waitlist.

I/We have read, understand and agree to the above regulations. I/We further understand that my/our application will not be processed until all applicants age 18 and older have signed and dated this form and turned it into management.

Best Cream Of Broccoli Soup

★★★★★

This broccoli soup recipe is thick and flavorful. It is simple, delicious, and quick to make. Enjoy (I know you will).

By Jessie A

Prep: 10 mins

Cook: 25 mins

Total: 35 mins

Servings: 6

Yield: 6 servings

Ingredients

5 tablespoons butter, divided
1 onion, chopped
1 stalk celery, chopped
3 cups chicken broth
8 cups broccoli florets
3 tablespoons all-purpose flour
2 cups milk
ground black pepper to taste

Directions

Melt 2 tablespoons butter in a medium stock pot over medium heat. Saute onion and celery until tender. Add broccoli and broth, cover, and simmer for 10 minutes.

Pour the soup into a blender, filling the pitcher no more than halfway full. Hold down the lid of the blender with a folded kitchen towel, and carefully start the blender, using a few quick pulses to get the soup moving before leaving it on to puree. Puree in batches until smooth and pour into a clean pot. Alternately, you can use an immersion blender and puree the soup right in the cooking pot.

Melt 3 tablespoons butter in a small saucepan over medium to medium-low heat; stir in flour and add milk. Stir until thick and bubbly, and add to soup. Season with pepper and serve.

Pay De Limon

Ingredients

- 1 14-OZ. CAN SWEETENED CONDENSED MILK
- 1 12-OZ. CAN EVAPORATED MILK
- FRESH LIME JUICE (7-10 LIMES)
- 2 PACKS GALLETAS MARIA (7 OUNCES EACH, 24 COOKIES PER PACK)

Instructions

- In the blender, add the condensed milk, evaporated milk, lime juice. Blend on high until it gets smooth and doubles in volume.
- Line a pan with parchment paper. I used a 9-inch round spring-form pan. Begin with a light layer of lime/milk filling on the bottom, just enough to cover. Add a layer of cookies. Continue layering until you run out of ingredients.
- After the third or fourth layer, I added a light layer of fresh fruit (sliced thin), then continued layering. Your last layer should end with the filling, not the cookies.
- Once done, top the pie with fruit and chill for at least 6 hours or overnight. Or until cold When ready to serve, if using a spring-form pan, use a knife to release the edges of pie from the pan before unlocking the pan. Place on a serving platter and slice. Serve with whipped cream if you like and enjoy!

Ingredients

Cake:

- 1 cup all-purpose flour
- 1 1/2 teaspoons baking powder
- 1/4 teaspoon salt
- 5 large eggs , separated
- 1 cup granulated sugar , divided
- 1/3 cup whole milk
- 1 teaspoon vanilla extract

Milk Mixture:

- 12 ounce can evaporated milk
- 14 ounce can sweetened condensed milk
- 1/4 cup whole milk

Whipped Topping:

- 1 pint heavy whipping cream
- 3 Tablespoons powdered sugar
- 1/2 teaspoon vanilla extract
- ground cinnamon , for topping

Instructions

1. Preheat oven to 350 degrees F. Grease a 9x13" pan with non-stick cooking spray.
2. In a medium bowl combine flour, baking powder, and salt. Separate the eggs into two other mixing bowls.
3. Add 3/4 cup sugar to the bowl with the egg yolks and mix on high speed until yolks are pale yellow. Add 1/3 cup milk and vanilla and stir to combine. Pour the egg yolk mixture over the flour mixture and stir gently just until combined (don't over-mix).
4. Use electric beaters to beat the egg whites on high speed. As the begin to whip into stiff peaks, gradually mix in the remaining 1/4 cup of sugar. Fold the stiffly beaten egg whites into the batter gently, scraping the bottom and sides of the bowl, until combined.

5. Pour batter into prepared pan and smooth it into an even layer. Bake for 25 to 35 minutes, or until a toothpick inserted in the center of the cake comes out clean. Remove from the oven and allow cake to cool completely.
6. Combine the evaporated milk, sweetened condensed milk, and whole milk in a small bowl. Once the cake has cooled use a fork to poke holes all over the top of the cake.
7. Slowly pour the milk mixture over the top of the cake, making sure to pour near the edges and all around. Refrigerate the cake for at least 1 hour or overnight, to allow it to soak up the milk.
8. In the meantime, whip the heavy cream, sugar and vanilla until stiff peaks. Smooth over the top of the cake. Sprinkle cinnamon on top. Serve with fresh sliced strawberries, if desired. Enjoy!

Notes

Store Tres Leches Cake in the refrigerator, covered, for 3-5 days.

Make Ahead Instructions: You can make Tres leches cake 1-2 days in advance. In fact, I love to make this cake the night before so that the cake has a lot of time to soak up the milk mixture.

Freezing Instructions: The baked and cooled cake can be frozen for up to 3 months, covered well. Thaw overnight in the fridge before pouring the three milks on top.

 & set up — unless there's a
 safer plan.

The one site here that Bruce Fardon
 leased me out — a fake homeless
 man woke me up around 4a — or
 it may have been Billy thinking
 I was a man & left me alone.
 Anyway — Campgrounds ARE safer than
 alone by any tree.

Tempe?

The Cheyenne
are paid off by Donald
Trump to try to make
Kane think that RM is
working at the Marriott -
then another hotel,
then another restaurant
when she is Tempe AZ

The scheme is to keep Kane
feeling ragged so she won't
work on a suit against Trump mob,
Obama mob, Police nationwide,
etc

The Cheyenne WY Police blocked KAROL VISION insurance which was reinstated!
